Pre-Power Program
For Hockey and
Ringette Players

Winter Program 2018-2019

The Program

The Pre-Power program is geared towards hockey and ringette players 5 years of age and older. It has been designed to teach basic skating skills and technique , in a power skating specific environment. The Pre-Power program is excellent for those skaters wanting to develop good skating skills, and for those players wanting to improve or keep up their skating for the upcoming season.

Skaters should have completed at least Level 2 Canskate (or equivalent) and be able to skate in full hockey gear. Once the skater has completed Pre-Power Level A, B, and C, they will graduate to our other Power Skating programs.

The Program Director

Bruno Delmaestro has a strong background in skating, having been a three-time Italian National Figure Skating Champion, European and World Competitor, and a hockey player. He has been able to transfer this success to his coaching and has been training hockey players, figure skaters and coaches for the past 33 years. He has developed his own theory and methods for teaching hockey, ringette and figure skating. He is the Master CanPowerSkate Course Conductor for Skate Canada and is NCCP Level 4 Certified in figure skating.

Bruno has worked with many different minor hockey associations who have used his skating programs. Some of the players he has trained have played junior level hockey in Canada and received university hockey scholarships. Recently, players he has coached have played in the NHL, WHL, BCHL. In 1999, 2001 and 2006 he was selected as the Competitive Coach of the Year by the British Columbia and Yukon Section of Skate Canada.
