

PROCEDURES FOR HIGH TEST APPLICATIONS (AS OF NOVEMBER 2010)

All applications for high tests (junior silver to gold, interpretive, and all competitive tests) are now completed online at www.coastregistry.com

It would be beneficial to read the instructions regarding this procedure at www.skatebccoast.com first. On the left side of the screen click on download documents. At the bottom of the page under 'tests' click on instructions for using online test applications. This explains the procedure very clearly.

Now – go to www.coastregistry.com. When asked for login push cancel. Fill out the form. Select the tests you are applying for. Answer all the questions. Click on the register button and follow the directions.

Both your coach and test chair will be contacted via email for approval. You will be notified when your tests have been approved and you will then be asked for payment.

GOOD LUCK!
