

**COQUITLAM SKATING CLUB  
VOLUNTEER FORM**

The Coquitlam Skating Club (CSC) is run entirely by volunteers like you. While none of us have unlimited hours available to commit to the club, we do believe that each of us can take on at least one or two tasks a season. To ensure that everyone contributes to the volunteer pool, each family of a CSC skater in our **Early Figure Skating Academy, Junior, Intermediate, Senior, Dance, Synchro and Adult** programs **MUST** complete this volunteer form and send it in with their skater's registration form(s). All information will be compiled into a Volunteer database so we can make more effective use of our volunteers. Important notices or announcements will also be sent via e-mail addresses noted by our members below.
