Session Qualifications

Early Figure Skating Academy: Entrance to the program is by invitation or audition (see our website for more information on auditions www.skatecoquitlam.com). The Early Figure Skating Academy provides young skaters the opportunity to jumpstart their figure skating by teaching them skating skills in a figure skating environment. Divided into three levels, this program teaches children skating fundamentals including edges, turns, stops, spins and jumps. Instructed entirely by our NCCP certified professional coaches, skaters will receive both group lessons and individual attention during practice time. Upon completion of the third level of the program, skaters will be able to spin in two different positions, perform at least two single rotation jumps, and be ready to enter the Skate Canada Star Skate Program (if they haven't already started). **Early Figure Skating Academy participants up to and including Stage 5 must wear a CSA approved hockey helmet while on the ice.**

Junior: These sessions are for skaters in the Early Figure Skating Academy program and those working on their first free skate, skills, and dance tests (Preliminary level). Except where indicated (see registration form for details). The session cost is for ice only. Skaters must arrange lessons with the professional coach of their choice prior to booking ice with the club. For more details on how to purchase ice/arrange lessons with a coach and other information, please see our website at www.skatecoquitlam.com or the Club Handbook. Skaters at this level are eligible to register for all Junior, Open and Junior Dance sessions.

Intermediate: Skaters on these Sessions must have passed their Junior Bronze Freeskate.

Senior: Skaters on these Sessions must have passed their Pre-Novice/Senior Silver Freeskate (before September 2010).

Junior Dance: Preliminary to Junior Silver Dance Level.

Senior Dance: Senior Silver to Diamond Dance Level.

Open Dance: for skaters of all levels of Dance.

Note: Sessions that do not have sufficient registration numbers are subject to cancellation.

Off-Ice Conditioning Classes: An integral part of any skating program. Early Figure Skating, Junior, Intermediate and Senior off-ice classes will be conducted by Sheri Delmaestro. If you are interested in participating in these classes, please contact Sheri at (604) 461-5171, or email sherigirl66@hotmail.com.

***Skaters are expected to skate on the sessions for which they qualify. Skating up onto a session is not permitted, unless a skater makes a written application to the CSC Board of Directors, indicating the session requested and the reason for this request. Decisions regarding skate-ups will take place at the September 12, 2011 board meeting.*
