The Pre-Power program is geared towards hockey and ringette players 5 years of age and older. It has been designed to teach basic skating skills, and technique in a power skating specific environment. Skaters should have completed at least Level 2 Canskate (or equivalent) and be able to skate in full hockey gear.

Pre-Power Skating is an excellent program for those skaters wanting to develop good skating skills for hockey and ringette, and those wanting to improve or keep up their skating for the upcoming season.

The Atom and Novice Power program is for skaters who have completed the pre-power program, or skated in our power skating programs previously.
